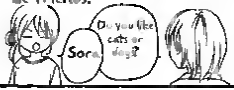
WHEN I SAW HIM SINGING FOR THE FIRST TIME
I THOUGHT HE LOOKED LIKE THE SUN.
AH!!
ARI YOU CAME !!
A LOT OF GIRLS WERE ALL OVER HIM.
HOW-EVER, WHEN I MET HIM
HE WAS A BOY WITH A PLAYFUL PERSON-ALITY.

<Healing> My pet dog, Sorá the Husky dog.

Did you know (lol) that for me the ultimate healing method is Sora-chan. It's not about the level of pampering. It's about the spiritual level. I like to mess around. Stepping out from my car I walked to the waiting room and a dog hit me full force in the face. As they walked Sora to the car I was still laughing about it. I'd love it if we could be friends.



Do you like cats or dogs? My answer would be that it's not worth asking me.

# About Music

I always read everyone's letters
Thoughtfully
"I always wonder when I'll start to cry."
I really do. Yet my husband was more
like a kid (lol)
Even listening to music, the lyrics are
pretty and what comes after is too.

Well, the best is still Aqua Times!
How were these amazing lyrics
made ...and, how can I remember
them all the time. That's right,
all the time. All the time...
Already though there is one in
God's presence. Aqua's
Shida-kun. Singles and albums,
I have them all.

Nowadays, I like the lyrics of love
songs and the patterns they follow.
I also like GReeeeN, RADWIMPS,
and UVERworld's sense of lyrics.

Conversely, a woman musician has a good
"mood" and there are many things to like
with the melody. YUI-chan has that
kind of feeling that I love.

Later on, with
Ikimonogakari I also
think I like every
melody
line.
